SUPPLEMENT TO MOTION OF UNITED PARCEL SERVICE CO.

By this filing, United Parcel Service Co. (“UPS”) supplements its March 24, 2004 Motion requesting that the Department of Transportation (“Department”) issue an order allocating UPS the six (6) Hong Kong-Singapore-Clark frequencies requested in its March 23, 2004 Application, relieving UPS from any further procedural and evidentiary requirements of this proceeding, and dismissing UPS from the proceeding.

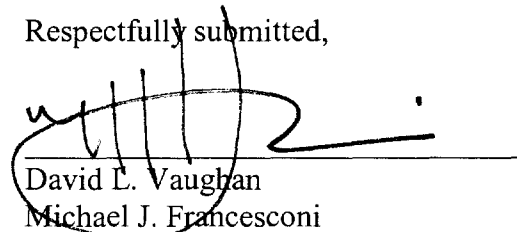

In UPS’ March 24 Motion, UPS requested that the other applicants respond to the Motion by Friday, March 26th, and that the Department issue its decision on the Motion by Wednesday, March 31st, so that UPS could determine whether it should prepare direct testimony and exhibits in this proceeding. To that end, UPS polled the other applicants: Federal Express, Northwest and Polar. None of the applicants object to UPS’ Motion.

WHEREFORE, United Parcel Service Co. respectfully requests that the Department of Transportation immediately grant it the Hong Kong-Singapore-Clark fifth freedom frequencies requested in its March 23, 2004 Application, relieve UPS from further procedural requirements of this proceeding, dismiss UPS from the remainder of

March 29, 2004

this proceeding, and grant such additional or other relief as the Department may deem necessary or appropriate.

Respectfully submitted,
